

Overview

LAUFENBURG (BADEN)

Road map

Switch at Weil am Rhein motorway merging point from the A5 onto the A98/A861 in the direction of Rheinfelden. Leave the A861 at junction 2 (Rheinfelden-Mitte) and continue on the B316 in the direction of Rheinfelden. After approx. 1 km you will reach a roundabout where you should keep in the direction of the B34/Bad Säckingen. Continue along the road until Murg.

To the Rhina plant:

Continue straight on for approx. 1 km and turn off left onto Ferroweg. The entrance to the plant is at the end of Ferroweg. Parking spaces can be found on the right-hand side of the road.

To the administration building:

Continue straight on for approx. 2 km and turn off right onto Kraftwerkweg. The entrance to the administration building is on the left-hand side of the road. Parking spaces can be found on the right-hand side of the road.

To the ENAG plant:

Continue straight on for approx. 2.5 km. The entrance to the plant is on the right-hand side of the road. Parking spaces are also available here.
