Awarded to:

H.C.Starck Gruppe
Im Schleckke 78-91
D-38642 Goslar

Bureau Veritas Certification confirms as per its investigations performed during the 2nd Party Audit dd. 26./27.01.2010 at Goslar and dd. 29.01.2010 at Newton:

H.C. Starck has implemented a Responsible Supply Chain Management System (RSCM) which is focused on avoidance of raw material deliveries from conflict regions. In addition, the RSCM system incorporates defined standards for health, safety, environment and ethics to be followed by raw material suppliers to H.C. Starck.
